

74. (New) The isolated transgene of claim 73, which further comprises a human 3' kappa enhancer segment.

75. (New) The isolated transgene of claim 74, wherein the human 3' kappa enhancer segment is a 4 kb BamHI fragment containing the human 3' kappa enhancer.

#### REMARKS

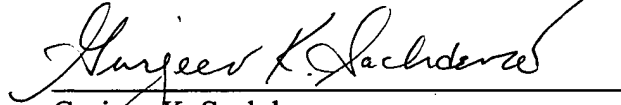

With entry of the amendments presented above, claims 57-75 are pending in the application. Appendix A, attached hereto, presents a clean version of all claims pending after entry of this amendment. No new matter has been introduced by the new claims.

Prompt examination is earnestly solicited.

If a telephone conference would facilitate examination of this application, the Examiner is invited to telephone the undersigned at (415) 781-1989 x7577.

Respectfully submitted,

DORSEY & WHITNEY LLP
